PROFESSIONAL EXPERIENCE

Pearson, Frontend Developer Intern

June 2022 – August 2022

- Designed and built a server management system in React that connected to an AWS back end. Created diagrams for application logical flow.
- Refactor front-end UI according to Storybook.js and Material UI standards.
- Create documentation for users and future developers explaining how to use and build upon the application.
- Built out and did the costing for a mock back end, ensuring it was within the team's budget. Developed the back end using Infrastructure as Code (Iac) via Terraform.

Live Oak Bank, Cloud Architect/IT Support Intern

May 2021 – August 2021

- Aided in the development and maintenance of various system applications.
- Deployed and managed solutions for various cloud environments (AWS, Azure) using Terraform, ensuring they met established SLAs.
- Worked with Senior Developers to write scripts in Bash or Golang to manage and monitor different levels of the server stack.
- Created a new company-wide laptop care policy to address maintenance inefficiencies.
- Developed best practice documentation for inter-company communication on the company intranet.

ProCTS, Network Administration Intern

December 2019 – March 2020

- Created and maintained user accounts on Windows and UNIX platforms, establishing VPN access and ensuring accurate permissions.
- Developed organizational units in Active Directory and managed user and group security policies.
- Installed a new POS system and assisted with the setup of an intranet for a restaurant.

CREATIVE EXPERIENCE

Cape Fear Community College, Marketing/Supply Chain Leadership Intern

January 2019 – May 2020

- Collaborated with senior administrators and web developers to redesign the entire college website leading to an increase in site usability.
- Promoted college activities and events through the utilization of social media marketing across a variety of platforms.

Studio A Acting Company, Co-Founder/Board Member

August 2010 – March 2017

- Founded an acting company and organized, performed, and helped to produce seven of the company's plays.
- Organized fundraising activities for the company, raising \$2,000 to produce the first play.
- Facilitated meetings of the board, created objectives, set deadlines and schedules, - and ensured that all tasks were delegated appropriately.

ACTIVITIES & INVOLVEMENT

Information Systems Association – Director of Communications

August 2020 – May 2022

Created the association's social media presence and organized meetings where professionals from the community came in to demonstrate their skills and held Q&A sessions for members.

Feminist Alliance

August 2018 - May 2020

Spearheaded the organization of a "Coffee and Consent" event with the local Rape Crisis center and attended monthly meetings to set agendas and goals.

Phi Theta Kappa - Honors Society

August 2018 – May 2022

An active member involved in service, volunteering for such events as the Muscular Dystrophy Association's Annual Charity Gala.
